## THE FLAME OF THE MOTHER

BY KEITUMETSE NGOBENI

New Jerusalem Children's Home was established in the year 2000, the vision behind the home stems from the love and compassion for orphaned, abused, abandoned, traumatized, and HIV Positive children.

While working at a children's court, Advocate Anna Mojapelo - Difo, the current CEO and Founder of New Jerusalem Children's Home was moved by the injustice and abuse the children went through in the hands of guardians who would illtreat them. Together with Mme Phina Mojapelo - a qualified Social Worker, the two sisters nurtured their dream of hosting and housing vulnerable children.

The Home has housed over 1000 children to date, and this would have not been possible without the help and contributions of our Sponsors, Donors, Board members, Staff members and Volunteers, who have supported us throughout the years. Each of our donors have indirectly nurtured and contributed to the development of our children. It takes a special kind of passion to raise vulnerable children - 'the flame of the mother' and this is what the sisters have shown throughout the 21 years. As the CEO, Anna Mojapelo would say, 'It takes a burning passion to nurture vulnerable children'.

As we celebrate Mother's Day this Month. The Home extends warm wishes to all mothers out there, and everyone who has contributed to the home and served indirectly as a mother to our children. Happy Mother's Day!

*"It takes a  
burning passion  
to nurture  
vulnerable  
children."*
